

## Tribute to Late Pujya David Matthew ji

### *Param Margdarshi & Adhyatmik Shilpi of Shree Rama Rajya Parishad*

"A soul as divine as a Deva, whose vision gave birth to the Tree of Dharma."

Born in the sacred land of India and raised in the United States, **Late Pujya David Matthew ji** was not just a guide, but the very spiritual pulse behind **Shree Rama Rajya Parishad (SRRP)**. His presence merged the depth of Indian dharma with the clarity of modern insight, offering a path where **Sanatan wisdom could breathe through 21st-century lives**.

### *Author of “Shri Ram Rajya” – A Modern Scripture*

He was the author of “**Shri Ram Rajya**”, a visionary scripture not merely retelling the Ramayana, but **redefining it** for today’s youth and society. This scripture became the **adharshila (cornerstone)** of SRRP’s philosophy.

Later **refined and contextualized by Dr. Santushti Thapar (Ambika)**, the text now stands as a **comprehensive, relatable, and soul-anchored guide** for youth, women, and families in modern Bharat.

### *Designer of the Kalpavriksha – The Soul of SRRP*

The **Kalpavriksha**, seen throughout the SRRP website, books, and offerings, was conceived and designed by Pujya David Matthew ji. It is more than an image—it is the **spiritual emblem of the Parishad**.

This sacred tree represents the **Saar of the Gita for our times**—its roots in dharma, its trunk in strength, and its branches in divine expansion. It lives on as the visual soul of SRRP.

### *The Vision He Entrusted to Us*

Pujya David ji directed **Dr. Santushti Thapar** to establish SRRP as a legal and spiritual body grounded in the ideals of **Ram Rajya**. And now it is. He emphasized:

- The **protection of women** through the revival of **Devi Shakti**
- The **awakening of children** through **Shishu Shakti**
- The **revival of Indian family systems** through social skills and life skills
- The **restoration of dharmic values** such as fraternity, cooperation, and Indian ethics in the hearts of youth

### *His Light Lives On*

Though he is no longer in the physical realm, **his vision, scripture, and symbol** continue to guide every act, offering, and sadhana of the Parishad.

We walk forward carrying his **blessings, his message, and his eternal presence** in our work.

Under his divine inspiration, Dr. Santushti Thapar and the entire team of Shree Rama Rajya Parishad walk a sacred path — not as a project, but as a vow. With hearts devoted solely to his vision, the Parishad holds no other aim but to fulfill his dream: to awaken Yuva Bharat, restore dharma in families, and let every child rise in the light of Shri Rama.
